Our Site

The Uxbridge Historical Centre (UHC) collects, preserves, and displays artifacts, documents, and photographs related to the history of the Uxbridge area. The UHC consists of more than 6,000 artifacts and 10 (11 with gazebo) buildings on a 5-acre site. Included are a one-room schoolhouse, church, two period houses, a print shop, a lodge hall, former township hall, an implement shed, carriage shed, barn, and gazebo.

The UHC is ideal for hosting programs, with beautiful, spacious grounds, and a panoramic view of the town of Uxbridge and Oak Ridges Moraine.

We are happy to customize programs to suit your requirements. Please contact us and we will do our best to fulfill your needs. We are available to host programs for Girl Guides from April to November.

Did You Know...?

We also rent our grounds and facilities! Utilize the UHC for your own activities, such as meeting spaces or for special event rentals.

We also offer specialized tours outside of our programs – contact us for details on tours for group bookings.
